We understand that I, _____ (Student), is responsible to come to class/practice every day when I am in school or requested on non-school days. I understand that it is my responsibility to change into appropriate running clothes, shoes and gear and participate to the best of my abilities at practice. I also understand bringing a note from a parent may not excuse me early (before 4:45 pm) or excuse me from participating in practice. The coach will make the final decision in the best interest of the student-athlete. I understand that Cross Country is a class and it ends at 4:45 pm (not 3:45 pm), or when the coach releases me. Remember, you signed up for ETXC.
